

## **Cinnamon Rolls, Oh My!!**

A few weeks ago I was on my way home from Norwich coming across County Road 36 and decided to stop and check out Heritage Pastries, the new Amish shop in the town of Guilford. It is a self-service space with a board listing the items and prices, a box to leave the money in and shelves of lovely baked goods. I was there late in the day so some of the things listed on the board were already gone but there was still a mouth-watering selection of goods. There were batches of cinnamon buns with thick icing on top, there were homemade cookies, pies and pumpkin bread. There were loaves of fresh baked white bread and the board listed whole grain bread but I must have been too late to get any of that.

This shop is open Tuesday, Wednesday, Friday and Saturday 7 AM to 7 PM. They are closed Sunday, Monday and Thursday. It is at 329 County Road 36, Guilford, NY. Their phone is 895-6492. Stop in sometime for a special treat!
