

Attention Gardeners

As you harvest your vegetables this season if you find you have more than your family and friends can use please think about donating some of your extra produce to your local food pantry.

In Guilford the food pantry is based in the United Methodist Church basement and is open Tuesdays 9 – 1. For more information contact Pat Wilcox at 843-5204.

In Mount Upton the food pantry is based in the United Methodist Church and is open Saturdays 11 – 1. For more information contact Carol Clum at 764-8365. Occasionally there is an event at the church on a Saturday and the food pantry would be closed that day. When that happens it would be announced on the radio.
